

IRFC - INTERNATIONAL TICKET POLICY approved by Committee, Sept. 2015

1. Ticket Secretary will advise all paid-up members of availability of tickets and prices by email, on the Club website and on Facebook. A deadline for requesting tickets will be set.
2. Members will be invited to apply for up to 2 tickets each. They may also apply for up to 4 additional tickets on condition that all members are allocated their 1 or 2 tickets first. The total applied for at this stage will form the Club's request to SRU.
3. Members will be expected to pay in full for their order at this stage.
4. Following the SRU allocation to the Club, members will be notified of the outcome and how it affects their application. Match tickets will be distributed on receipt.
5. In event of a shortfall in SRU allocation, the tickets will be distributed in the following order, each ticket price group being treated separately.
 - (a) All applicants will allocated 1 ticket; if insufficient there will be a ballot at next training session.
 - (b) Second tickets will be allocated; if insufficient there will be a ballot at next training session.
 - (c) Once all members' requests for 1 or 2 tickets have been satisfied, then remaining tickets will be allocated individually by ballot at next training session.
6. All members will be advised of their allocation immediately afterwards; those who have been unsuccessful will receive a full refund by IRFC cheque within one week.
7. In event of a change of circumstances which affects the use of the tickets, Club members are requested to notify the Ticket Secretary as soon as possible in order that other members may be offered the opportunity to purchase.
8. The Committee reserves the right to allocate tickets in a different manner in the event of circumstances arising which require precedence being given to *active* Club members.
